Pattern Match: Untouched has a random striated design effect, which needs to be considered with matching the pattern during installation.

Installation: It is recommended that this carpet be installed in accordance with AS/NZS 2455.1:2007 unless otherwise specified. Cleaning and maintenance should be done in accordance with AS/NZS 3733:1995.

Colour Variation: Colour may vary from dye lot to dye lot.

Material Variation: Backing or other materials may change without notice depending on raw material availability.

Custom Variation: Custom weights and/or colours may be produced to meet individual requirements for larger projects. For further details contact your local Cavalier Bremworth office.
